Audrey Balogh stated there was mention on Facebook regarding the boat dock by the Delaware River on Sunday. There was a big crowd of people and there was paper and feces on the ground. There used to be a porta potty in this area but not sure if it is still there and not being serviced. Audrey felt this should be looked into as it would be a health issue.

(Pearl will check with Clerk Cathy Miller to see who owns this boat dock. The County Health Department would be contacted to come out and inspect the area.)

Jeff Waldron stated there are multiple sessions being held to submit comments in opposition to the PennEast Pipeline. You are given three minutes to speak to stenographers with your comments. A public meeting will be held on Tuesday, August 15 at the Holiday Inn in Clinton, NJ at 6:00 P.M. (PennEast must prove they need the gas.)

Donna Lizanich made a motion to adjourn the meeting, seconded by Jeff Waldron. The meeting adjourned at 8:10 P.M.

Respectfully submitted,

*Pearl M. Hammerstone*
