The above correspondence was discussed and action taken as necessary.

Duane Young questioned whether we would be interested in the Board of Health becoming certified in Sustainable New Jersey. It would require 10 points. This would be attending four meetings per year, with a representative from the Township (which would be Duane) and viewing a video. All Board of Health members would attend.

Christopher Balogh stated we needed more information before we could vote on participating. This will be tabled for the next Board of Health meeting.

Christopher Balogh made a motion to adjourn the meeting, seconded by Donna Lizanich. The meeting adjourned at 7:40 P.M.

Respectfully submitted,
