

The Holland Township Planning Board and Board of Adjustment

Application Submission Requirements during the COVID-19 Pandemic

Submit everything electronically to planningboard@hollandtownship.org Submit a hard copy of everything sent electronically to the Land Use Administrator at Holland Township, 61 Church Road, Milford NJ 08865 with 5 sets of plans & reports submitted. If the Administrator determines a need for additional plans then you will be contacted.

Contact the Land Use Administrator for the address of the professionals. You will be required to send each board professional a hard copy of the application.

In the event of a Public Hearing - notice must include specific language regarding the new procedures. A sample notice is available upon request. The applicant will be required to send copies to anyone who cannot review the application on-line. The applicant must provide all application materials in electronic form, if not previously supplied. If exhibits other than the application materials and plans are to be used, then the applicant must pre-mark them and provide them to the Land Use Administrator at least ten days before the scheduled public hearing so that they can be posted on the website.
