**The Passing of Longtime CERT Deputy Emergency Manager, Catherine Elder**

Catherine Elder was a devoted member of our community who served as a Deputy Emergency Manager with our OEM team and was a founding member of our CERT team. Catherine’s dedication began in 2004, and she rose through the ranks to become a Deputy Emergency Manager in 2020.

Catherine was known for her selfless service and readiness to face any challenge. In her CERT application, she aptly described her commitment: “Wherever I am needed. Not afraid to get dirty.” Her dedication was recognized through several awards, including the Meritorious Service Award from our OEM for her exceptional work during Hurricane Irene in 2011 and the Civilian Award of Appreciation for her efforts alongside the police during Community Day in 2014.

This year, Catherine was able to experience a milestone that had eluded her in the past. For the first time, she enjoyed the fireworks at our Community Day. Previous years saw her stationed in the back parking field, first as a worker and later as a team lead. This year, she was stationed in the EOC and had the chance to witness the fireworks she had so long worked behind the scenes to support.

Catherine’s sudden passing on September 8, 2024, at Ringing Rocks State Park in Bridgeton Township, PA, has left a void in our community. She will be remembered for her bravery, leadership, and the positive impact she made on all of us.

As we reflect on Catherine’s contributions and the legacy she leaves behind, let us extend our deepest condolences to her family and honor her memory with the respect and gratitude she so richly deserves.
